

NORTEMPRESA

PERFUME & COSMETICS MANUFACTURER

15 YEARS

ABOUT US

NORTEMPRESA PERFUME LAB, is a Portuguese company, based in Braga and was founded in 2006.

We are specialists in fragrances and in all types of cosmetics.

We work according to the needs of our customers.

Private label with full service or contract manufacturing.

We are a very technologically advanced company with a fully automated and very competitive production process.

With an experienced team and a laboratory prepared with the highest technology equipment, we are proud to provide products with excellent quality to all our clients.

We are a flexible company that can adjust to the needs of each client, because we know that each one is special. Each product that we do is unique.

Every product that leaves our company is part of us.

MISSION

Our aim is to work with customers to deliver creative and customized products.

VISION

Our focus is to create products, based on innovation, technology and sustainable solutions
